

2011 PAPTAC PUBLICATIONS LIST

INDEX

1998 Int'l Conf. On Biotechnology – Oral – Book A.....	15	Energy Cost Reduction in the Pulp & Paper Industry.....	8
1998 Int'l Conf. On Biotechnology – Poster – Book B....	15	Energy Savings Opportunities in the Kraft Pulp Industry, a Guide to.....	12
1998 Int'l Conf. On Biotechnology – Poster – Book C....	15	Engineering Data.....	18
1998 Printing & Graphic Arts Pan-Pacific Conf.....	15	Épinglette PAPTAC	13
1999 Conférence technologique estivale.....	15	Exfor & Annual Meeting 2009 – Preprints – CD....	17
2001 Congrès francophone du papier.....	15	Fibres secondaires.....	3
2001 Int'l Chem. Recovery Conf. – CD Rom.....	15	Filterwash/Belt (<i>Computer Program</i>)	19
2001 Int'l Chem. Recovery Conf. – Poster Presentations	15	Gadget Competition Booklets.....	11, 14, 15
2001 Int'l Chem. Recovery Conf. – Oral Presentations ...	15	Glossaire des termes d'impression à l'usage du papetier.....	10
2004 Control systems – Book.....	15	Glossaire des termes techniques de blanchiment	9
2004 Control systems – CD.....	16	Glossary of Bleaching Terms	9
2007 International Chemical Recovery Conference CD...	16	Glossary of Printing, Reprography and Papermaking Terms.....	10
2007 Seminar Improving Paper Machine Efficiency Productivity.....	16	Guide aux possibilités d'économie d'énergie dans l'industrie de la pâte kraft.....	12
2008 Control Systems / Pan Pacific Conference Preprints Book	16	Guide d'entretien électrique	8
2008 Control Systems and Pan Pacific Book + CD	16	Handbook for Pulp and Paper Technologists	4
1 st Applied Pulp and Paper Molecular Modelling Symposium.....	1	Handbook of Pulp & Paper Terminology, 2nd edition	4
7 th Int'l Paper and Coating Chemistry Symposium Preprints – Book.....	16	International Pulp Bleaching Conference 2008 – Book	17
7 th Int'l Paper and Coating Chemistry Symposium Preprints – CD.....	16	ISO Standards Handbook, Paper, Board and Pulps	18
7 th Int'l Paper and Coating Chemistry Symp. Book & CD.....	16	Lapel pin, PAPTAC.....	13
7 th Research Forum on Recycling – Book	16	Logiciels multimédia interactifs de formation.....	19
7 th Research Forum on Recycling – CD.....	16	Machines à papier	5
92nd Annual Meeting/92e Congrès annuel.....	1	Manuel d'opération sur la mise en pâte au bisulfite ..8	
91st Annual Meeting/91e Congrès annuel	1	Manuel du technicien et de la technicienne en pâtes et papiers.....	5
7th Research Forum on Recycling, 2004.....	1	Mechanical Maintenance Modules.....	20
Alkaline Pulping	2	Mechanical Pulping.....	2
Aqueous Coating and Board, The Essential Guide to.....	4	Membership Benefits, 2006.....	22
Avantages pour les membres, 2006	22	Méthodes d'essai normalisées	18
Biorefinery Presentations from 93 rd Annual Meeting.....	17	Mill Control & Control Systems: Quality & Testing, Environmental, Corrosion, Electrical.....	3
Canadian Pulp, Paper and Paperboard Directory, Mill Profiles.....	12	Mill Manager's Forum – 10 th (2005)	17
Classification des défauts du papier journal.....	12	Mill-Wide Process Control and Information Systems.....	3
Classification of Newsprint	12	Modules de formation.....	21
Coated Paper Defects.....	12	Modules en entretien mécanique.....	20
Coating, Converting and Specialty	3	Newsprint Shade Tolerance Card.....	12
Computer-based training programs	19	Operating Difficulties on Fine, Kraft and Specialty Paper Machines	10
Concours de gadgets	11	Operating Difficulties on Multi-Ply Board	10
Control Systems 2004	1	Operating Difficulties on Newsprint Machines	11
Couchage et finissage.....	3	Paper and Coating Chemistry Symposium, 5th Intl.	1
Coup d'oeil sur l'industrie- CD Gratuit.....	13	Paper Machine Design and Operation	7
Critical Review of the Main Variables in Offset Printing...9		Paper Machine Operations.....	3
Dépannage méthodique sur les machines à papiers	11	Paper Physics Conference, 2003 Intl.	1
Difficultés de fabrication sur les machines à cartons multicouches.....	10	Paper Recycling: an Introduction to Problems and their Solutions	6
Difficultés de fonctionnement des machines à papiers fins, d'emballage et spéciaux.....	10		
Dirt Estimation Chart/Transparency.....	9		
Electrochemical Processing for the Pulp & Paper Industry..7			
Energy Conservation Opportunities.....	11		

INDEX

Paper Recycling Challenge: Vol. II, Deinking & Bleaching .	6
Paper Recycling Challenge: Vol. III, Process Technology .	6
Paper Recycling Challenge: Vol. IV, Process Control and Mensuration.....	6
Paper Science and Paper Manufacture.....	6
Pâtes mécaniques et chimico-mécaniques	3
Pitch Control, Wood Resin and Deresination.....	6
Possibilités d'économie d'énergie	11
Précis de chimie de la cellulose.....	5
Préparation du bois et les pâtes mécaniques	5
Pressroom & Newsprint Glossary, The.....	9
Printing and Graphic Arts Conference, 2004 Intl.....	1
Proceedings: Fundamental Applied Pulp & Paper Symposium 2008	17
Properties of Fibrous Raw Materials and Their Preparation for Pulping	2
Pulp Washing Calculation Manual.....	8
Recent Advances in Paper Recycling – Stickies	6
Recyclage et le désencrage des papiers et des cartons	8
Réduction de la consommation d'eau dans l'industrie des pâtes et papiers	4
Réduction du coût de l'énergie dans l'industrie des pâtes et papiers.....	8
Sécherie d'une machine à papier étude et dépannage	8
Secondary Fibres and Non-Wood Pulping	2
Seminar on Improving Paper Machine Efficiency and Productivity	14
Spotlight on the Industry - Free CD	13
Standards (CD-ROM).....	19
Standard Testing Methods	18
Starch and Starch Products in Surface Sizing and Paper Coating.....	5
Statistical Methods Manual	7
Status of Forest Sector Research and Development In Canada	7
Stock Preparation.....	2
Stock Quality Factors Affecting Paper Machine Efficiency.....	7
Struggle for Uniformity.....	4
Sulfite Science & Technology	2
System Closure in Pulp and Paper Mills.....	5
Technology for Chemical Cleaning of Industrial Equipment.....	9
Training Director's Handbook – Set	15
Training Modules.....	21
Transformation du papier.....	3
Understanding and Troubleshooting, the Paper Machine Dryer Section	13
Unified Theory of Refining.....	7
Water Use Reduction in the Pulp and Paper Industry	4
Winder Troubleshooting.....	9

PRICES

Prices listed in this catalogue are for current stock items only. Quantities are limited for some items. Due to reprinting costs, all prices are subject to change without notice. All transactions are made in Canadian funds and are subject to fluctuation in the exchange rate. All prices listed are in Canadian funds.

PRIX

La liste de prix dans ce catalogue est valide pour les items courants seulement. Certains items sont disponibles en quantité limitée. Dû aux coûts de réimpression, tous les prix sont sujet au changement sans préavis. Toutes les transactions sont faites en argent Canadien et sont sujettes aux fluctuations du taux de change. Tous les prix sont indiqués en argent Canadien.

92ND ANNUAL MEETING PREPRINTS

Book A Includes papers on the following topics: Mechanical Pulping; Paper Machine Technology; Research; Energy Cost Saving; Steam and Steam Power; New Technology; Environment; Printing and Graphic Arts. ISBN 1-897023-17-0

Book B Includes papers on the following topics: Fibre Quality and Value; Alkaline Pulping; Paper Machine Technology; Research; Mechanical Engineering and Maintenance; Process Control; Information Technology; Environment. ISBN 1-897023-18-9

Book C Includes papers on the following topics: Non-Wood Fibres; Recycling; Paper Machine Technology; Fine and Coated Papers; Electrical/Instrumentation Engineering and Maintenance; Bleaching. ISBN 1-897023-19-7

CD-Rom contains all presentations ISBN 1-897023-20-0

Preprint Books Each A, B or C (2006)

\$60.00 (members)

\$75.00 (non-members)

CD or Set of 3 Preprints

\$180.00 (members)

\$225.00 (non-members)

91ST ANNUAL MEETING PREPRINTS

Book A includes papers on the following topics: Non-Wood Fibres; Alkaline Pulping; Fine & Coated Papers; Research; new Technology; Recycling; Paper Machine Technology; Newsprint & Mechanical Printing Grades; Process Control. ISBN 1-897023-08-1

Book B includes papers on the following topics: Paper Machine Technology; Multi-Ply Board; Research; Electrical/Instrumentation Engineering and Maintenance; Bleaching. ISBN 1-897023-09-X

Book C includes papers on the following topics: Mechanical Pulping; Fibre Quality and Value; Paper Machine Technology; Energy Cost Saving; Printing and Graphic Arts; Steam and Steam Power; Environment. ISBN 1-897023-10-3

CD-Rom contains all presentations ISBN 1-897023-11-1

Preprint Books Each A, B or C (2005)

\$60.00 (members)

\$75.00 (non-members)

CD or Set of 3 Preprints

\$180.00 (members)

\$225.00 (non-members)

2004 INTERNATIONAL PRINTING & GRAPHIC ARTS CONFERENCE

This conference preprint contains papers on the following topics: printing & characterization; inks; fundamentals & offset panel; print quality; print mottle; flexography & inkjet; printability and printing process aspects. (2004)

(Book) ISBN 1-897023-04-9 / (CD) ISBN 1-897023-03-0

Book & CD

\$100.00 (members)

\$125.00 (non-members)

Book or CD

\$60.00 (members)

\$75.00 (non-members)

7TH RESEARCH FORUM ON RECYCLING

7^E FORUM DE RECHERCHE SUR LE RECYCLAGE

This preprint book contains papers which discuss the underlying fundamentals of recycling processes, how they impact recycling

operations, and to identify future research needs of the recycling community. These papers discuss fundamentals and unit operations; bleaching; measurements and characterization; old corrugated containers; deinking of toner printed papers; fiber paper properties; mill experience and implementation. (2004)

(Book) ISBN 1-897023-05-7 / (CD) ISBN 1-897023-06-5

Book & CD

\$100.00 (members)

\$125.00 (non-members)

Book or CD

\$60.00 (members)

\$75.00 (non-members)

CONTROL SYSTEMS 2004

This conference preprint contains papers on the topics such as modelling and control of chemical pulping; cross-direction control; modeling and control in the bleach plant; control of mechanical pulping; performance monitoring of CD control; control at the paper machine; control design and integration; and soft sensors.

(Book) ISBN 1-897023-01-4 / (CD) ISBN 1-897023-02-2

Book & CD

\$100.00 (members)

\$125.00 (non-members)

Book or CD

\$60.00 (members)

\$75.00 (non-members)

2003 INTERNATIONAL PAPER PHYSICS CONFERENCE

This conference preprint contains papers on the following topics: Mechanical Properties, Structural Analysis, Micromechanics, Drying, Measuring and Modelling, Instrumentation, Moisture and Flow

(Book) ISBN 1-896742-90-4 / (CD) ISBN 1-896742-91-2

Book & CD

\$75.00 (members)

\$90.00 (non-members)

Book or CD

\$50.00 (members)

\$65.00 (non-members)

5TH INTERNATIONAL PAPER AND COATING CHEMISTRY SYMPOSIUM

This conference preprint contains papers on the following topics: Retention Mechanisms, Surface Sizing, Coating, Retention and Flocculation, Process Chemistry and Engineering, Paper Strength and Internal Sizing. (2003)

(Book) ISBN 1-896742-88-2

(CD) ISBN 1-896742-89-0

Book & CD

\$150.00 (members)

\$180.00 (non-members)

CD

\$100.00 (members)

\$130.00 (non-members)

1ST APPLIED PULP AND PAPER MOLECULAR MODELLING SYMPOSIUM

This book contains the complete texts of the presentations made at the First Applied Pulp and Paper Molecular Modelling Symposium held in Montreal in August 2005. It contains all of the valuable information contained in 21 scientific and technical presentations.
